

Pilot Club Will Install Tonight

At a dinner meeting tonight at a local restaurant, new officers of the Pilot Club of Torrance will be installed in a ceremony to be conducted by Miss Ruth Cunningham of San Gabriel Valley, Past District Governor and Chaplain of Pilot International. Invitations to the affair have been extended to various service clubs in the area and to special guests and friends of the Pilot Club members.

Mr. Fred W. Mill, Division Controller of National Supply Company, Torrance Plant, is to be speaker of the evening. Mr. Mill has chosen as his topic "The History of Torrance."

Officers to be installed to serve for the coming year are: President, Mrs. Clara Dougherty; First Vice-President, Miss Mae Sleep; Second Vice-President, Mrs. John Whittington; Recording Secretary, Mrs. Mary Young; Corresponding Secretary, Mrs. James Kreutzer; Treasurer, Mrs. C. B. Mitchell; two-year Director, Mrs. Joseph K. Burchfield; one-year Directors, Mrs. Gerald Cork and Miss Elizabeth Holland.

The Pilot Club of Torrance, one of more than 400 in Pilot International, have donated their time to various charitable organizations, in addition to their regular visits to their "adopted" ward at Harbor General Hospital. Service work during the past year has included the addressing, stuffing, and sorting for mailing of envelopes for the Easter Seal Campaign of the Crippled Children's Society; volunteer work in the offices of the Community Chest in San Pedro; individual member participation in various fund raising campaigns, and taking part in civic affairs of the city.

The theme of Pilot International this year has been "Dedicated to Friendship and Service," and the Torrance Club has taken every opportunity to attain this goal.
